Sir:

REISSUE DECLARATION BY THE INVENTOR

1. I, Jan Hendrik Mensen, hereby declare that:
2. My residence, post office address and citizenship are as stated below next to my name.
3. I believe that I am the original, first and sole inventor of the subject matter which is described and claimed in United States Patent No. 5,657,600 (the '600 patent), granted on August 19, 1997, entitled "Web Member for Concrete Form Walls," and for which a reissue patent is sought.
4. I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above, and including new claims 17-41.
5. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. § 1.56.
6. I verily believe the original '600 patent to be wholly or partly inoperative or invalid by reason of my claiming less than I had the right to claim in the patent.

4

7. One error in the '600 patent is the inclusion of the unnecessary limitation in each of the independent claims of the patent of the bridging members being molded into the panel members of the building component.
8. All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.
9. I hereby appoint the registered practitioners of Morgan, Lewis & Bockius, LLP included in the Customer Number provided below to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.
10. Please direct all correspondence to: **Customer Number: 009629**
